

Glass-Decorators.com

It's easy and very affordable to have your logo or message attractively custom-etched on high quality, useful glassware. Think of etched personalized glassware for business promotional items, family reunions, wedding favors and more.

Fast Service | No Minimums | Permanently Etched

Real etched glass says quality and good taste better than any other personalized gift. Your design is permanently deep etched - not printed - and will never rub or wear off.

With our custom etched glass there is never a minimum quantity required. (Our artist will contact you regarding the placement of your logo or artwork on the glassware prior to starting any work. Glass Decorators reserves the right to bring your design or logo up to the quality necessary for proper glass etching.)

Typical glass etching turn-around time is 2 to 3 weeks for the delivery of your first order. Reorders and single-letter monograms are always available with no set-up fee.

Each piece of glass is individually hand-etched using a sand-carving method. All prices listed are for glassware deep-etched with your design. Shipping charges are added based on UPS Ground service from Lindsborg, KS.

How to Order

It's easy to order personalized glassware from Glass-Decorators.com. Simply use the following guidelines to start the process.

STEP 1

Submit Your Artwork for Approval - Due to the complexity of some logo designs, all custom logos are subject to approval by Glass-Decorators.com. You may FAX your logo to us at 785-227-4234, or mail it to us using standard mail. However, our preferred method of artwork delivery is via email attachment. Logo artwork may be submitted to us via email attachment in one of several PC formats.

Preferred Formats - Here at Glass-Decorators.com, we want to create an exceptional glass decoration. To do this, we ask that you send us the best quality image files you have. If possible, we prefer logo artwork that is true black and white camera ready art and saved in a clean vector PC format such as EPS, ADOBE ILLUSTRATOR or COREL DRAW as opposed to bitmap format (JPEG, GIF, BMP or TIFF). Vector formats are scalable and will produce a sharper, crisper image than bitmap formats. Please convert MAC format files to PC format before sending.

Preferred PC Formats (vector):

TIFF (.tif)

EPS (.eps)

ADOBE ILLUSTRATOR (AI) (.ai)

Other Formats (bitmap):

JPEG (.jpg)

GIF (.gif)

ADOBE PHOTOSHOP (PSD) (.psd)

STEP 2

Select Glassware Style - Select the style(s) of glassware that you prefer for personalization with your logo or other artwork. Include the Item Number of the glassware and the name (for example: "23 oz. Pilsner") with your request so that we may customize your logo or design for that particular piece of glassware or provide you with suggestions regarding style. Providing us with your preferred choice of glassware will allow us to better review your logo artwork (size and detail) and determine its suitability for the various sizes of glassware.

STEP 3

Contact Information - Provide us with a minimum of contact information to include: your name, telephone number and email address. If you would like, you may contact our office Monday through Friday, 9:00 a.m. - 5:00 p.m. Central Standard Time via our Toll-Free telephone number: 1-800-779-3344. Or, email us at glass@hemslojd.com.

How to Order, cont.

STEP 4

Artwork Approval - Once we have received your logo/artwork, we will review the artwork for its suitability for glass etching. We will provide you with a proof of the logo/artwork and seek your approval prior to the actual etching process. Glass-Decorators.com reserves the right to clean up and/or adjust artwork without prior notification as necessary to bring artwork up to proper quality, strength or size for glass etching.

We accept VISA, Master Card, Discover or American Express. Please call with your credit card number. Payment by check is also an option. Checks should be made payable to "Hemslojd, Inc." The balance of the total project cost including shipping must be received by Glass-Decorators.com prior to shipment.

STEP 5

Delivery - Typical turn-around time for personalized glassware is less than 2 to 3 weeks for the delivery of your first order. Unless otherwise specified, all shipments are made via UPS Ground, F.O.B. Lindsborg, Kansas. Shipping charges will be based upon the weight and dimension of the shipment and the shipment destination. A minimum \$12.95 shipping & handling charge will be applied to small orders.
